 - Ce produit est prévu uniquement pour une utilisation à l'intérieur. L'utilisation de ce produit à l'extérieur peut entraîner une défaillance du produit ou des blessures aux personnes.

IMPORTANT: Avant l'installation, assurez-vous que vous avez reçu toutes les pièces selon la liste de vérification des composants. Si une pièce est manquante ou endommagée, t  l  phonez    votre distributeur local pour qu'il la remplace.

MAINTENANCE: A intervalles r  guliers (au moins tous les trois mois) v  rifiez que le support est d'utilisation s  re et fiable.

Preface

This electric height adjustable standing desk consists of a heavy-duty steel desk frame and a motorized height adjustment system. Please read and completely understand this manual before installation in order to make sure the safe and correct use of the system and maintain the longevity of the overall construction and the built-in electronics

Instructions of Safety and Warnings:

- Any failure to comply with the safety and installation instructions in this manual may cause serious bodily injury.
- Any incomplete observation of the instructions, warnings and additional information marked with the "Note" may result in serious damage to the system or its components.
- This product can be used by children aged from 8 years and above if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children should not play with the product. Cleaning and user maintenance should not be made by children without supervision. Unplug the desk when the system isn't in use, and place the power plug out of childrens reach.
- People with reduced physical, mental abilities and or lack of experience and knowledge must not use the product, unless they're under supervision, understand the hazards involved or they have been thoroughly instructed in the use of the apparatus by a person who is responsible for the safety of these persons.
- Users should make sure that they never sit on the desktop in order to prevent serious bodily injury.

Electrical Safety Instructions:

The product is powered by electricity. In order to avoid burns, fire and electric shock, please read the instructions carefully.

Don't clean the product with water while the power is still connected.

Never operate the system if it's in moist environment or its electrical components have contact with liquids.

Don't disassemble or replace components while the power is still connected.

Don't operate the system if the control box makes noise or odor. Alterations of the given power unit and control box aren't allowed.

Never operate the system with a damaged cord or plug. Please contact your point of purchase to replace the damaged parts.

Other Safety Instructions:

- Clear up all obstacles within the height adjustment range.
- Don't leave the cords or plug unorganized in order to prevent tripping hazards.
- Any attempts to reconstruct the desk frame aren't allowed.
- Don't add anything to the adjustable junctions of the desk frame.
- Outdoor use is prohibited.

Attaching Side Brackets

 <p>S-A (x16) Screw</p>	 <p>S-B (x4) Screw</p>	 <p>S-C (x4) Screw</p>
 <p>S-D (x3) Cabel clip</p>	 <p>S-E (x1) Allen wrench</p>	

Let's begin the installation Attaching Side Brackets

- Please prepare a spacious area for installation, and put a shipping blanket on the floor to prevent scratches on the floor and the frame.
- Unpack the desktop, and carefully place it on the floor upside down. Insert one lifting column into one end of the crossbar on the desktop with the head of the lifting column facing inward. Make sure the mounting holes on the lifting column completely align with the screw holes on the crossbar.
- Fixing the lifting column (E) with crossbar using 4 screws (S-A)
- Repeat the same process to assemble the other lifting column.

5

UVI Desk with Tilttable Top

Assembling the Feet

- Place the foot on the bottom of the lifting column. Align the mounting holes of the foot with the screw holes on the lifting column.
- Fix the foot C using 4 screws S-A with the Allen wrench S-E.
- Repeat the same process to assemble the other foot.

Turn over the desk frame with the crossbar facing up. At least two people are required when turning over the desk frame.

- Connect the two motor cords to the two points on the right marked "M1" and "M2".
- Connect the controller (I) cord to the port on the right marked "P2".
- Insert the power plug (H) in the port to the left.

Note: Please make sure the slot on the control box (F) is facing upward.

Note: The picture of the controller is for your reference only. The actual product may vary

Assembling the Cable Management Tray

Align the mounting holes on the tray hangers with the screw holes on the cable management tray. Assemble the tray hangers to the cable management tray (D) with 4 screws (S-B) from below using a screwdriver.

- Attach the controller to the desktop with 2 screws (S-C) using a drill.
- Stick the adhesive cable clip (S-D) under the desk to organize cords.

Assembling the wrist rest

Remove the film from the wrist rest (B), stick the wrist rest to the desktop.

8

UVI Desk with Tilttable Top

Low Profile Adjustment

There are two adjustable foot pads under each foot. If the floor isn't even, simply turn the pad to adjust the height to make the desk stable.

Note: use the bubble level to check the level of the desktop.

Connect the desk to power.
You can now use the sit-stand desk.

Note: We have another manual of the digital controller for detailed instruction. Please check the UVI Desk Digital Control Panel User Guide.
